Charge Conference

It is time for Charge Conference again. This is the annual business meeting that each charge (church or group of churches under a pastor) has in the Wisconsin United Methodist conference. The purpose of this meeting is to elect the leadership for the church for the upcoming year, vote on budgets and address other business related matters that will impact the life of the church for the near future and years to come.

This year District Superintendent Tsuker Yang wants to meet with each charge—in our case Christ Church and Wildwood Chapel. Since he is new to the District, this will give him an opportunity to learn about our church and get an understanding of our situation.

Items that will be voted on include church officers for the coming year, removal of members by Charge Conference action, pastoral compensation, the 2019 budget, and approval of Lay Servants.

Please plan to attend this year's Charge Conference. We have some significant decisions to make as we prepare for 2019 and beyond. Your input will be very important as we discuss how we will function in the future.

HAPPY BIRTHDAY!

Friends and Family Day at Wildwood Chapel

On Sunday, September 23rd Wildwood Chapel celebrated 85 years in the community by hosting a Friends and Family day. We had our worship time followed by a coffee fellowship time. We welcomed guests, caught up with friends we may not have seen for awhile and enjoyed wonderful goodies.
