

# Wildwood Chapel News

## Seed Collection

We had a very successful seed collection in March for the Jackson Area Ministry . Our basket was full. In addition to the many packets of seeds collected, we took in some cash donations to help cover the cost of shipping. We added the seeds that Christ Church collected to this as well and shipped more than 10 pounds of seeds during the first week of April to be distributed for planting. Thank you all for your generosity. Your caring gesture will help others to grow food for their families.

## Wildwood Mission Projects

The mission project we are working on in May is the collection of funds to donate for disaster relief or Flood Buckets. We will be collecting funds for this project through the end of May. The money will be turned in to the Midwest Distribution Center In-Gathering area during the Annual Conference.

## Golden Cross Sunday

Wisconsin Annual Conference has identified May 13 for a special offering to support the Wisconsin Health & Welfare Ministries. This year the Health & Welfare Ministries have chosen to have the funds go to the Harbor House Crisis Shelters in Superior, the Northcott Neighborhood House in Milwaukee and the United Methodist Children's Services in Milwaukee. There are special offering envelopes available throughout the month of May for this campaign, or you can simply designate "Golden Cross" on your check or envelope. Thank you for your support of this Conference initiative.

## HAPPY BIRTHDAY!

Carol Remington	5/13
Randa (Bellin) Bangart	5/17
Ronnie Stein	5/22

## REMINDERS

- \* Food pantry items and dedicated money collected this month will be delivered to the Food Pantry in Antigo.
- \* The 2018 Cleaning Schedule has been posted so please sign up to help clean our church. Thank you to all who have worked at this so far.
- \* For the Mission project in April and May we will be collecting funds for Flood Buckets. These funds will be turned in during the Annual Conference in June.
- \* There will be an Administrative Council meeting held at 8am on Sunday, May 27th before the regular worship service.

April showers bring May flowers - or so the saying goes. Sharon Remington's flowers are blooming already! She planted the Geranium seeds in January so that they would be ready to go out in the spring. As soon as the soil is warm enough she will get the flower gardens around the church worked up and planted for all of us to enjoy this year. Thank you Sharon!

## Church Picnic

It was decided that we will have a church picnic again this year. But rather than going to a lake or public park and gambling on the weather, the Huxtables agreed to host the picnic at their home. So whatever the weather holds in store this year, we will be able to be comfortable as we fellowship. The date for the picnic will be decided soon. Stay tuned for more information.
