## **Message From the Staff Parish Relations Committee (SPRC)**

It is with mixed emotions that our SPRC committee announces that Pastor Ho Lee has accepted a new posting to Seymour, WI.

His new assignment will begin July 1, 2019.

His last day in church with us will be June 23rd.

District Superintendent Tsuker Yang is actively searching for a new pastor for our charge.

Because of the financial situation at Christ Church, the next pastor assigned to our charge is expected to be a 50% placement.

There will be many discussions taking place in the next few months as we craft how a 50% pastor's schedule will look, what commitments he or she will be expected to take on and what things we will need others to step up to handle.

Please know that we are interested in the questions and concerns you may have.

We, too, have questions and concerns but are prepared to work through those to the best of our ability.
