## It's Time for SEEDS!!!

The signs of spring are everywhere. The birds are back. The fields are showing signs of green. And the snow is melting!

Now is the time to help support the Jackson Area Ministries Gardening Project, as we have done over the past many years. This project helps people in southeast Ohio to help themselves. They help persons who have lost their jobs, senior citizens, and low-income families. In addition to seed potatoes and tomato plants, they collect and distribute beans (pole and bush), beets, broccoli, cabbage, cucumbers, corn, carrots, cauliflower, lettuce, pumpkins, radishes, spinach, squash, turnips, watermelon--just about anything that is hardy for zone 6.

We will be collecting seeds through **April 7th** so that they can reach the distribution center by April 15. Any monetary donations given for this project will be sent to help the mission coordinators purchase plant seedlings. Thank you for your support of this mission.

## Wildwood Summer Picnic

At the last Administrative Council meeting it was decided to have a summer picnic again this year. We will plan to have it at the Huxtables again, similar to how we had it last year. A date has not been decided but more details will be coming soon.

## SPRC Announcement

On Sunday, March 31, Rene' Daley, chairperson of the SPRC, announced that Pastor Ho Lee will be leaving our church in June. He has accepted an appointment to a new charge in Seymour, WI. His last day in the pulpit at Wildwood Chapel will be on June 23.

The SPRC will be working with the District to find a new pastor for our charge. We will likely have a part-time pastor to serve the needs of Wildwood Chapel and Christ church. More information will be shared with the congregation as it becomes available.

We will miss Pastor Ho, Miyeon and the girls very much, but we want to wish them success and happiness in their new church family. God Bless.
