FLOOD BUCKET MISSION

The signs of spring are all around us. The flowers are blooming, the trees are budding and the fields are starting to turn green.

But as you watch the evening news you see other signs of spring—many communities around Wisconsin and throughout other parts of the country have experienced severe flooding already this year. There will likely be more storms and flooding to come in the months ahead.

During the months of May and June we will be collecting funds to help the Midwest Mission Distribution Center assemble flood kits for areas effected by severe flooding. If you are interested in helping with this mission project, mark your check or envelope with “Flood Buckets” and include it with the offering by June 9th. All of the funds collected for this mission will be sent to the In-Gathering collection site at Annual Conference. Thank you for your support of this essential mission.

Golden Cross Sunday

Wisconsin Annual Conference has identified the month of May for a special offering to support the Wisconsin Health & Welfare Ministries. This is known as Golden Cross Sunday. We will observe Golden Cross Sunday on May 19. There are special offering envelopes available throughout the month of May for this campaign. The envelope provides a list of the various services and organizations supported by this cause. If you wish to contribute to this effort, use one of the special envelopes available on the shelf in the back of the church or you can simply designate “Golden Cross” on your check or envelope. Thank you for your support of this Conference initiative.

JAM Seed Drive

Wildwood Chapel and Christ Church joined forces to collect seeds for the Jackson Area Ministries seed mission project. In addition to almost 10 pounds of seeds that were collected from the two churches, Wildwood Chapel also collected and sent \$95 to help with the purchase of seedling plants such as tomatoes, cabbage, etc. Thank you all for your support of this important mission that helps people of the Appalachian area of Ohio grow their own food to support their families. Your generosity is greatly appreciated.

HAPPY BIRTHDAY!
