## Mission Work for March / April 2021

This year the seed mission project collected more money than seeds. We sent approximately 4 pounds of a variety of seeds and a check for \$70.00 for the JAM garden mission to purchase such things as potato and tomato seedlings as needed. We received a very warm Thank You letter assuring us that the seeds and funds would be put to good use to help those in need grow their own food and help supply food for communities in Southeast Ohio.

In 2020 the JAM project had donations from groups and individuals from 14 states. They also distributed 23,904 tomato plants and 30,000 lbs. of seed potatoes and 15,000 Baking Potatoes.

In total, 2,175 families in 19 south eastern Ohio counties received seeds, tomato plants and/or seed potatoes & baking potatoes last year. This project illustrates how each person's small contribution, when added together, can make a huge impact to those in need. Thank you for your donations to this project.

## MAY and JUNE MISSION PROJECT

As in years past, we will again be gathering donations for the Flood Buckets mission project in May and June. This project is sponsored by the Midwest Mission Distribution Center. There have already been a significant number of damaging storms and flooding throughout the country and assistance is needed.

If you are interested in supporting this mission, please mark your check or envelope "Flood Buckets" and include it with your offering. The funds will be sent to the MMDC at the end of June. Thank you.

## HAPPY BIRTHDAY!

### NOTICE

Wildwood Chapel has resumed in-person worship. Worship services are at 9:00am on Sunday mornings. Please continue to take all necessary health precautions including social distancing. Hand sanitizer and disinfectant wipes are available as well.

If you are still not comfortable attending church in person and want to receive the worship material via U.S. mail or email, please contact Sandy at the church office so that she can put you on the distribution list.
